

Rikiya Takehi

rikiya.takehi@fuji.waseda.jp

Github: <https://github.com/RikiyaT>

Education

Waseda University, Tokyo

Apr 2021~Present

B.E. Computer Science and Communications Engineering – English-Based Program

- Cumulative GPA: 3.87/4.00 • Major GPA : 3.97/4.00 (WES Scale)
- Expected Graduation Date: March 2026

Research Interests and Skills

Interest: Information Retrieval (evaluation/recommendation/ranking), Machine Learning ...

Languages: Japanese (native), English (fluent: TOEFL 110), French (fluent: CEFR/DELF B2), German (basic)

Experience

National Institute of Standards and Technology (NIST), US

Oct, 2023 ~Present

Guest Researcher | Information Technology Laboratory, Retrieval Group (supervised by Prof. Ian Soboroff)

- Conducting research on fairness in rankings / metadata / evaluation

Hakuhodo Inc. (Negocia), Tokyo

Sep, 2023 ~Present

Research Intern

- Conducted research on Off-Policy Learning.

Hanjukukaso Inc., Tokyo

Jul, 2023 ~Present

Research Intern | supervised by Yuta Saito (PhD. Student in Thorsten Joachims Lab)

Waseda University, Tokyo

Feb, 2023 ~Present

Undergraduate Researcher | CS Department Prof. Sakai Laboratory

- Conducted research on evaluation of dialogue systems

Publications

Open Domain Dialogue Quality Evaluation: Deriving Nugget-level Scores from Turn-level Scores

- Accepted at SIGIR-AP (acceptance rate: 36%)
- Conducted a research on evaluating dialogue system qualities at the nugget level.
